Greetings from Student Financial Services.

Congratulations on your upcoming graduation! As you prepare to leave the University, we want to take this opportunity to remind you to review your student account. Any balance that you may have due to tuition, fees, parking tickets, library fines, bookstore charges, or any other reasons must be paid by 5pm on July 31 to permit you to graduate this summer. This requirement applies to all degree candidates. This email is being sent to all summer degree candidates, so you may not, in fact, have any outstanding charges at this time. We know summer is a busy time, and we'd like to help you take care of this prior to the time when your focus is directed at completing your program. Also, if you are taking a course in session III and expect your financial aid to disburse to cover those charges, you will likely still see them on your account at this time, and that's okay too.

It is important to note: all financial obligations to the University must be paid in full by July 31st, in order for you to have your degree conferred. Payments can be made at any time through QuikPay@UVA by e-check or credit card, or at the Cashier's Office in Carruthers Hall during regular business hours by cash, check, or money order. To access QuikPay@UVA, log in to your SIS account at http://www.virginia.edu/sis, and then click on the link to QuikPay@UVA in the Finances section.

For security and accuracy reasons, payments cannot be made over the phone. Please note that our Cashier's Office hours are Monday-Friday 8am-4pm. If you have any questions about your student account, please contact Student Financial Services by email at sfs@virginia.edu or by phone at (434) 982-6000. You can also come in to our office in Carruthers Hall between 8am and 5pm, weekdays, and we will be happy to assist you.

Sincerely,

Isaiah Behnke
