The payment types below may show as an anticipated credit prior to and even after the term charges are due. If you see an anticipated credit, know that you don’t have to pay that amount by the due date in order to keep the account in good standing.

- Financial aid, including accepted loans and grants (but not work study)
- Veteran’s Administration Benefits [www.virginia.edu/registrar/vabenefits.html](http://www.virginia.edu/registrar/vabenefits.html) and [http://sfs.virginia.edu/military/veterans](http://sfs.virginia.edu/military/veterans)
HOW AND WHEN FINANCIAL AID CREDITS THE STUDENT ACCOUNT

- Will credit no earlier than August 20th for the Fall 2018 term (federal regs prevent us from doing it earlier)

- Loans will credit the amount borrowed less the origination fee

- **Federal Work Study** is not considered anticipated aid

- More information about financial aid at UVA is at [http://sfs.virginia.edu/newstudents](http://sfs.virginia.edu/newstudents)
REFUNDS OF CREDITS
