**Federal Benefits Received Form
2016-2017**

Purpose of Form

Generally, the Federal Benefits Received Form is requested because you reported on the Free Application for Federal Student Aid (FAFSA) and/or CSS PROFILE that you or someone in your household received one or more of the following federal programs at any time during the 2014 and/or 2015 calendar year: Supplemental Security Income (SSI), Supplemental Nutrition Assistance Program (SNAP), Free or Reduced Price Lunch, Temporary Assistance for Needy Families (TANF), and Special Supplemental Nutrition Program for Women, Infants and Children (WIC).

General Instructions

On the first table below, please review each federal program and check either yes if you received the benefit, or no if you did not. On the second table, list the name of the person in your or your parent(s)' household who received benefits in 2014 and/or 2015. Only individuals who are included in your or your parent(s)' household on the FAFSA, CSS PROFILE or UVA Household Size Form may be listed on this form.

Student Financial Services may request third-party documentation to confirm the information you report on your Federal Benefits Received Form. Should you or a parent submit a form with incorrect information, you must also submit third-party documentation to confirm the correct information. Adjustments to a financial aid award as a result of submitting documentation to correct a Federal Benefits Received Form are neither guaranteed nor immediate.

Please note that if we have reason to believe that the information regarding the receipt of federal benefits is inaccurate, we may require documentation from the agency that issued the federal benefits in 2014 or 2015.

Forms received without the appropriate signature(s) or with missing information or missing pages are considered incomplete and must be resubmitted. This will delay the evaluation of your financial aid eligibility and the awarding of your financial aid.
