Student Estimated Income Form 2016-2017

Purpose of Form

The Student Estimated Income Form is used to document the student's (and the student's spouse's, if married) income in the 2016 calendar year, and may be submitted with some Appeals for Reconsideration.

General Instructions

Table A: Taxable Income

On this table, report all sources of student/spouse taxable income for 2016.

In Column A, report the total amount of income already received from January 1, 2016 through the day that you sign and complete this form, from each of the sources listed (wages, rental income, taxable interest, etc.). This is considered actual income. In Column B, report the total amount of income that you expect to receive from the day that you sign and complete this form through December 31, 2016, from each source. This is considered estimated income.

Be sure to report all sources of income including those from foreign sources.

Example Table A: Taxable Income

TABLE A: TAXABLE INCOME	Column A: Actual Income	Column B: Estimated Income
GROSS INCOME IN 2016	01/01/2016 to today	Today through 12/31/2016
Student's gross wages and salaries from work	\$2025	\$1500
