Target Rollover

When setting up Targets for the next Fiscal Year, you may use the **Rollover Targets** button.

If you only have a few targets, you can individually select them by clicking the **RO (Roll Over) Flag** checkbox. However, to rollover the majority of your targets, use the **Select/Deselect All** checkbox.

Note: This is the time to determine what targets need to be rolled over. Do not rollover targets that are not needed.

Rollover Targets Select/Deselect All

Target Total	Committed Amount	Balance (\$)	Students	Processed Amount	RO Flag
		64,000.00	Stud

Notice that all of the **RO Flag** checkboxes are selected.

In this example, you have decided not to rollover the first target.

Uncheck the **RO Flag** checkbox for the first target.

Aid Year:

- We are opening SAFM for Fall / Spring entry in March, which means you will be able to award admitted applicants. If you do this, please make sure to cancel their awards if they do not accept your offer of admission.

Upcoming SAFM Enhancements

- We have a few upcoming enhancements that we have mentioned previously, but since we are now getting closer to opening SAFM for 2018-19 awarding, we wanted to quickly review.

Upcoming Enhancement: Academic Category Defaulted

- To improve the accuracy of SAFM tuition award amounts and decrease data entry, on the SAFM Awarding page, once the term is selected from the drop down menu, the system will default the academic category and international fee check box (if applicable). This enhancement will be available beginning mid-March (when SAFM opens for 2018-19).

*Term	*Academic Category	Packaging Plan	Residency	Reg Hrs	Rch Hrs	Form of Study	GRA Hrs	GTA Hrs	Acad Level	Study Agreement	Acad Load	
1178	PhD, Yrs 4+		V	0.00	12.00	ENRL	0.0	0.0	L5		F	<input checked="" type="checkbox"/> International Student

Buttons: Package Student, Cancel Package, Recalculate Package, Reverse Fund Source

Important Points to Keep in Mind

- If the student is not yet term activated for fall OR if the individual is still an applicant (not yet a student), the academic category and International Student check box will NOT default. You will need to enter this information manually. Spring will assume the same information as fall.
- The system will only default the academic category once the term is selected from the drop down.
- The academic category will not update once you have saved and go out/come back in.
- The international student checkbox will be defaulted as checked or unchecked based on the information in SIS; the checkbox will remain editable for students and applicants; the user will be able to check or uncheck the box. If the user checks or unchecks the international student box, but it does not match what is in the system, there will eventually be a discrepancy between the amount in SAFM and the amount the student was charged.
- You will also notice that a new field of Acad Load has been added to the page.
 - F indicates that the student has an approved academic load of full-time.
 - P indicates that the student has an approved academic load of part-time. If the student is a Part-time student, the academic category of Part-time will be defaulted and you will then pick the part-time packaging plan.

*Term	*Academic Category	Packaging Plan	Residency	Reg Hrs	Rch Hrs	Form of Study	GRA Hrs	GTA Hrs	Acad Level	Study Agreement	Acad Load	
1178	PhD, Yrs 4+		V	0.00	12.00	ENRL	0.0	0.0	L5		F	<input checked="" type="checkbox"/> International Student

Buttons: Package Student, Cancel Package, Recalculate Package, Reverse Fund Source

- In a few instances, >1 academic category have the exact same tuition rates. In those cases, we have combined the academic categories into one academic category:
 - (Nursing) Masters & DNP
 - (Curry) Masters & PhD/EdD Yr 1-2
 - (Medicine) Yr 1, 2, 3, & 4
- Because of the code changes, if you award summer in 2018 ("Summer 1" in FY2018), when you add the row to add the term On SAFM Student Awarding page, if you pull up a student in 2018 and then add another row to add the summer term, you will be immediately asked if you want to save (see below). This is due to our recent code changes and will only happen this year. It is only a warning, so you will just need to click OK.

Upcoming Enhancement: Health Insurance in 2018-19

- We mentioned this in a previous meeting, but just wanted to remind you that this enhancement will be in place for 2018-19.
- Background: The BOV approves graduate tuition in December, but we do not have the approved health insurance rates until the spring. In the past, we have not been able to open SAFM until health insurance rates are approved. Often, that has been late spring. For a variety of reasons, some schools would like to be able to award students in SAFM before health insurance rates are approved.
- New for 2018-19 awarding:
 - Until we have the approved rate, when you package a student, an “estimated” amount for the health insurance rates will populate as the award level amount for health insurance.
 - You can go ahead and award (package, cancel package, repackage, etc.) as normal without the finalized health insurance rate.
 - But, you will not be able to move the health insurance award past start (defaulted to Start status and grayed out).

640000020800 AY GRAD Health Ins Subsidy Amt 2890.00 Notes Award Status Start

Organization	Description	Target Name	Award	Project	Task	Clearing Account	Amt	%	Assistantships	Fund Source Status	Reverse

2 [31315]	EN-Biomed Engr Dept	101194 - Epstein BME	FA00011	101194	101		890.00	25.65	GRA				

- We will also ensure that health insurance cannot be interfaced from SAFM to the Departmental Award area.
- Once the rate has been approved (likely in April or May), the health insurance amounts will be updated and the Award Status box will open up.
- You will then be able to move the award through the workflow - and it will interface from SAFM to the Departmental Aid area of SIS.

640000020800 AY GRAD Health Ins Subsidy Amt 2735.00 Notes (UPDATED RATE FOR DEMO PURPOSES ONLY) Award Status Start

Organization	Description	Target Name	Award	Project	Task	Clearing Account	Amt	%	Assistantships	Fund Source Status	Reverse		
1 [31315]	EN-Biomed Engr Dept	101194 - Epstein BME	FA00011	101194	101		711.10	26.00	GRA				
2 [31315]	EN-Biomed Engr Dept	101194 - BME Dept	FA00139	101194	101		2023.90	74.00	GRA				

- Note: The fund source amounts are updated based on the rounded % (25.65% to 26.00%; 74.35% to 74.00%).
- General reminder: Grad Health is NOT in the package. In SAFM, grad health is added when the package student button is pushed, but it is not in the package. This was intentional; if a package is cancelled, the health insurance is not automatically cancelled.

Reporting: SAFM UBI & Training

- Reminder: SAFM and DA reports have transitioned to UBI.
- New: A request for UV FA SAFM User responsibility in ESHARP automatically includes UBI reporting responsibilities. There is no need to request them separately or to take other than the FA SAFM User learning path.

SAFM Responsibilities and Training: Toolkit

- If new users need access to SAFM, please refer to the [SAFM toolkit](#).
- This link is available via the DAUG website.
- Users who need access to make entries in SAFM need only request the UV FA SAFM User responsibility.

Reminder: Awards in Error

- Please make sure you regularly check for and take steps to correct awards in error by running the SAFM Award Status report (in UBI or Discoverer).
- It is important to resolve errors as soon as possible.

Meetings: Upcoming Dates, Times, Locations

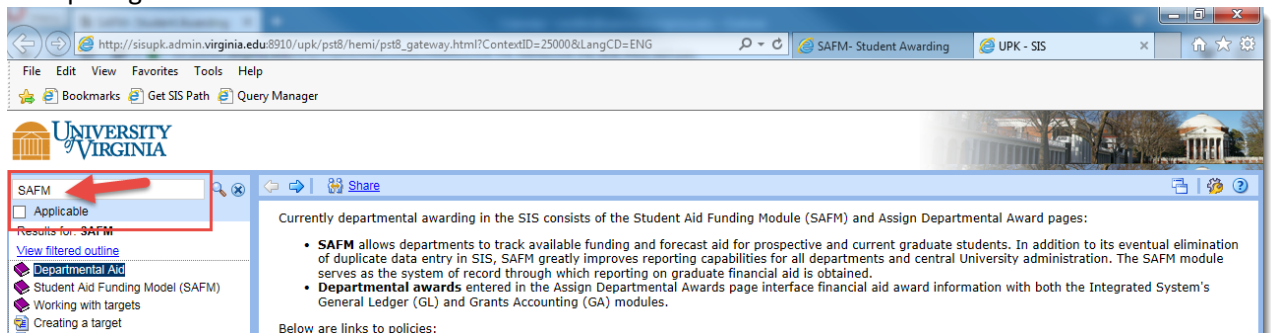

- Upcoming monthly DAUG Meetings:
 - Wednesday, 3/14/18, 3:30pm Location: Ruffner 206
 - Wednesday, 4/11/18, 3:30pm Location: Ruffner 206
 - We typically do not meet in May, June, or July but resume meeting in August

Reminder: Getting Help

- Access help from within SIS. Click “Help” link, in the search box type “SAFM” and uncheck Applicable. You can view SAFM training materials and quick guides.
