Federal Benefits Received Form
2025-2026Purpose of Form

Generally, the Federal Benefits Received Form is requested because you reported on the Free Application for Federal Student Aid (FAFSA) and/or CSS PROFILE that you or someone in your household received funding from one or more of the following federal programs at any time during the 2023 and/or 2024 calendar year: Medicaid or Supplemental Security Income (SSI), Supplemental Nutrition Assistance Program (SNAP), Free or Reduced Price School Lunch, Temporary Assistance for Needy Families (TANF), and Special Supplemental Nutrition Program for Women, Infants and Children (WIC).

General Instructions

On the first table below, please review each federal program and check either “yes” if you received the benefit, or “no” if you did not. If answering “yes,” in the second table list the name of the person in your or your FAFSA contributing parent(s)’s household who received benefits in 2023 and/or 2024. Only individuals who are included in your or your FAFSA contributing parent(s) household may be listed on this form.

Student Financial Services may request third-party documentation to confirm the information you report on your Federal Benefits Received Form. Should you or a contributing parent submit a form with incorrect information, you must also submit third-party documentation to confirm the correct information. Adjustments to a financial aid award as a result of submitting documentation to correct a Federal Benefits Received Form are neither guaranteed nor immediate.

Please note that if we have reason to believe that the information regarding the receipt of federal benefits is inaccurate, we may require documentation from the agency that issued the federal benefits in 2023 or 2024.

Forms received without the appropriate signature(s) or with missing information or missing pages are considered incomplete and must be resubmitted. This will delay the evaluation of your financial aid eligibility and the awarding of your financial aid.
